Dear Parents,

I am writing to inform you of the school class structure for next year. As all parents are aware we are an ever-expanding school, we now have 380 pupils on roll. To allow us to meet the needs of our ever-increasing numbers, we often have to change our class structure. For the academic year 2024-25 our class structure will be as below.

Key Stage	EYFS		KS1			LKS2				UKS2			
Year Group	Nur	Rec	Year 1 and Year 2	Year 1 and Year 2	Year 1 and Year 2	Year 3	Year 3	Year 4	Year 4	Year 5	Year 5	Year 6	Year 6
No. of children in each class	28	26	26	26	26	30	30	30	30	22	22	25	25

As a school we are very experienced in delivering the curriculum to mixed year groups and have done this successfully for a number of years now. Next academic year all classes will be reorganised so we are able to better spread abilities and needs within year groups.

This reorganisation process will happen over the next two weeks and as part of this process we will be asking children to nominate friends they would like to be in a class with as well as communicating with you as parents to allow you to approach your current child's class teacher with any questions you may have. Staff will then meet together to decide upon the classes and children will spend the day in their new classes as part of our transition on 17th July. For children who we feel would benefit from additional transition we will facilitate this through their current class teacher.

All decisions will be made in the best interests of your child giving them the opportunity to feel secure and achieve well academically.

For those parents whose children are currently in Reception we will also be holding an additional parents meeting at 2:30 on Friday 12th July.

Should you have any questions regarding this please contact your child's class teacher.

Yours sincerely

Mrs Pointon
