03.06.24

Dear Parents,

I am writing to make you aware of some teaching changes for the rest of the Summer Term. As our Year 6 children have completed their SAT's and move towards exciting end of year activities this provides flexibility with our UKS2 staff allowing teachers to complete projects which can benefit the whole school or Trust community. This staffing flexibility also gives us the opportunity to focus on the progress of our Year 5 children providing challenge and support where necessary.

As a result, your child may experience some changes to their morning routine. We will be reorganising the Year 5 children to provide teaching groups which are better able to meet the needs of the children and hence better prepare them for entry to Year 6.

In Year 6 Mr Woods will be spending some time at other Trust schools and Mrs Sale, Mrs Jones and Mrs Fry will work together with myself and the support staff to facilitate provision for our Year 6 children.

These changes have been carefully planned and thought out by all staff to ensure that the children continue to have the oversight of their current class teacher whilst having the opportunity to benefit from greater flexibility. On those days when Mr Woods is not present in the building either myself or Mrs Jones will liaise with parents should any queries arise.

These changes have been communicated to the children this morning and will remain under constant review so should any concerns arise they will be immediately dealt with.

Yours sincerely

Mrs C Pointon

Headteacher
