Staffing Update

Dear Parents,

After many dedicated years of teaching at St Giles' and St George's, Miss Lunt has made the decision to embrace new career opportunities and will be leaving us at the end of this term. We understand that the change of a teacher for any child can be difficult and we have worked hard to find a replacement for Miss Lunt who will continue the high standards of care she shows to every child.

Miss Austin will take over the teaching of Miss Lunt's class from January, she will be spending time over the next two weeks getting to know the children and meeting parents. Due to the age of the children in Reception we have not yet shared this news with them as we know it may be unsettling. We have decided to share this news with you first so you can prepare your children in the way you feel best. The children are used to lots of different adults working with them and they have all already met Miss Austin but we will wait until the end of next week before telling the children that Miss Lunt is leaving.

Miss Austin is hoping to meet some of you today in parent meetings. We will share her picture and information on class dojo at the end of this week. If you have any concerns regarding this change of staff for your child, please make an appointment to speak to with either myself or Miss Lunt.

We wish Miss Lunt all the best for her future and thank her for her years of dedication.

Yours sincerely

Mrs C Pointon
Headteacher
