

Our

Child

Protection

and

Safeguarding

Policy

If you are worried or sad about anything, then you can speak

to any adult in school.

If you are worried about a friend, then you can speak to any

adult in school.

The adults in school cannot keep a secret but they will only

share your worries with another adult who can help you.

Sometimes we need to work with other organisations. If we

do this then we will tell you.

Whether you need help with school, home, family, feelings, a

friend or other children, you should speak to an adult in school.

Our adults are trained to help you.

There are some adults who are specialist safeguarding staff

in school. In this school, they are:

•Mrs Pointon

•Mrs Booth

•Mrs Williamson
